“ Jimmie you were a true friend and always brought a warm welcome and smile to all that came to your home and had the honor to meet and get to know the fun loving person you were never judged others, greeted all with welcome arms! You passed these traits on to all of your children who have grown to follow in your footsteps. All of them will miss you dearly and daily but your presence will always remain with them in their hearts. As you look down to continue checking on them just be very proud of them for they remember your guidance.

“ I am so sorry for your loss. I went to school with Jimmie Lou for three years. I was one of the group who transferred from Henagar to Sylvania. I remember her as a quiet, sweet girl. I know she will be terrible missed and I want the family to know I will be praying for all of you.
