“ When I was a little girl, I would jump on Papa and Nanny's bed. Papa would say "Nanny!! Amanda is jumping on the bed, come get her." and then would tell me in a whisper "Hurry, Amanda, Nanny is coming" I would hurry and jump down and put the covers over my head to "hide" from Nanny. We would all giggle and have a great time. I will never forget that time in my life. I love you, Papa. Go rest high on that mountain, your time on earth is through...
