“ I worked with MR.Holcomb at Shaw industries from 1986 to 1989 (it was synthetic industries at that time) I remember he was very knowledgeable of the Sulzer weaving machines, But most of all he was a kind person with a good sense of humor and a pleasure to be around. I really enjoyed working with him and am so sorry to learn of his passing. His family and friends are in my thoughts and prayers !!!

“ I had the pleasure of working with Jimmy for 26 of his 40 years at the Chickamauga Plant. His knowledge of the weaving machines coupled with his insistence on "doing things right" made an impact on the operation that continues today. He was a disciplined manager, an effective teacher, a reliable counselor, and my friend. I will miss him.

“ To Carolyn and Jim's Family, I am so saddened to hear of Jimmy's passing but on the other hand so thankful that he won't have to suffer anymore. He has gone on to be with the Lord and we must remember we can see him again some day.
I worked for Jimmy for years and he was one of the best bosses and friend anyone could have. He was a dedicated husband, dad and granddad. This man truly loved his family. I was so thrilled when he gave his heart to the Lord and I know he became a changed man.
Jim you will be missed by everyone that knew you! Love and prayers for the family and we will look for you at Jesus' feet.....
