“ *We will miss Joan and her phone calls. She was faithful to call while our son was in Iraq just to check on him and us. She continued with those calls and had been a good friend for several years. Wish we would have known how sick she was so we could have gotten just one more of those calls. Karen & Gary*

Sandy, so sorry to hear about your mom. The last call I received from her was in the hospital. I wasn't home and she left a message. I tried for weeks but no answer. I even tried the phone number she gave that was yours. I enjoyed her calls and the times at ceramics in East Hampton Ct. She was a very special lady and I am so sorry for your loss.
