“ This lady was special, i meet her back in the 1992. purchase steel from her no matter where she worked. Always took care of me. she knew the steel business for sure. Loved visiting with her when we could. She always talked about her Mom, Dad and family.

“ I had the pleasure of knowing JoAnn as a vendor, quickly became a friend. I am so saddened by this news, she was always such a kind, smart and thoughtful person.
Prayers for her family, may your memories of her give you comfort at this very sad time.

“ First I want to say to the family; from my heart “I am truly sad for your loss”.
I am sad for me too... I got very close to Joann in a short time, we shared our happiest things, as well as our hurts too. We prayed with, and for one another... we laughed until our sides hurt, we encouraged one another, we cried, and shared our secrets, hopes, and dreams.
I know moving to Tennessee was a HUGE decision; but one she really wanted for years before she finally had the courage to do so. She wanted her family close and wanted to be close with them in heart, and proximity.
I am grateful to have been blessed by her sincere love, generosity, BIG heart, joy and laughter.
I'm sad that I let the miles, and my life keep us a part the past few years. 💔
But praise God I believe we will see each other again.

“ I truly enjoyed having Joann as a neighbor. I'll miss our middle of the road chats, her incredible baked goods and how she'd back that red car right into the garage. She was such a kind and giving friend that left us way too soon. She will be missed!
