“ I met JoAnn 20 years ago when I started working at US Xpress. Shortly thereafter she became my Supervisor. Her generosity in sharing her wealth of knowledge and experience with me was limitless. Over the years we became good friends.

When her Oncologist called to say her results were in I drove her to their office. I sat across the table from her, holding her hand, as the Doctor delivered those results. Tears were shed, prayers were spoken. While prayers remained, tears were quickly replaced by JoAnn's sheer will and determination not to let this defeat her! She placed her unyielding faith in the Lord, rising to every challenge with grace and dignity. Ultimately, she beat her cancer into remission. This was many years ago. It remains a bittersweet honor to have shared in this season of her life.

Goodbye my friend, I will miss you. Thank you for your friendship. My thoughts and prayers are with your family and loved ones.

“ We worked together at US Xpress. She was such a sweet person. She was so good to me. I hurt my leg in a wreck and she let me ride to work with her for six weeks. We lost touch when I left there. When she was going through Chemo I was living with a mutual friend and gave up my bed to her so she wouldn't have to drive back home. She was such a good person. I'm so sorry for your loss.

“ JoAnn was a dear Classmate of the Ringgold High School Class of 1957. For many years we stayed in touch and she was faithful to attend our '57 Wally's Lunch Bunch in East Ridge before her own health and those of her family that she helped care for made it impossible for her to come. She was a sweet and super intelligent friend and has been missed by all of us. Rest In Peace with our Lord Jesus Christ, JoAnn. You were loved by many.

I met JoAnn back in January 1989 when I went to work for Collins and Company. She trained me to be the best insurance adjuster I could be. She was a dear friend and I hate to hear of her passing. RIP sweet JoAnn.
