“ Jody...it's been a year since you left us but your memory remains. I never got to see at all the reunions in our later years due to my travels and regret that more than anything. I know your family misses you very much as the rest of us do, but we all have to remember; you were just on loan to us for a short while from God...and now he called you home.

*Rest in peace brother and I'll see you soon.*

“ Jody was one of my very first boyfriends (6th grade). He was so cute and very shy then. He would barely talk to me. We talked about it at our last high school reunion, he said he remembered us sitting next to each other in the elementary school auditorium and holding my hand for the first time.. he laughed and said that he remembered being scared to death.

“ Jody, I will miss you as a friend and teammate. The memories I have of you will remain the rest of my life...and until we meet again may god hold you in the palm of his hands.

*Farewell dear friend*
