“ I met Johnny in 1968 in Highland Park, Chattanooga riding around with Rick McDurmin in his Mr UFO falcon! He was the kind of person that was always there if you needed him...I was 14 and Johnny 17 and Rick 16! We all were just kids trying to be all grown up! RIP my dear sweet friend ❤️😭 You truly will be missed..... Wondering if Heaven knows what a special person they have.....

Johnny and I meet in the early 60's at the boy's club. We were good friends doing the things all teenagers of the time did, cruising in our cars looking for something to get into partying ,looking for girls ,drinking beer and being a bit mischief but we remained friends all these years. Although I moved away from Chattanooga I still had contact with Johnny and Linda not as much as the years passed.I have good memories of my good friend. My thoughts are with Linda and rest of the family. RIP MY FRIEND

To Linda & family, I'm so sorry for your lost. You do not know me but I threw a lot of darts,drank even more beer & told a lot of stories with John at Leonard's, Mayo's and other fine establishments around town. He even bailed me out of jail once. The world was a better place with John in it. May God bless your family during these times. Stan Lee
