Mike was always playing little jokes on us at Joy Carpets... you never knew when a fake spider was going to come down over your head.. Such a sweet, fun and loving man. Will miss you Mike and we'll see you again!

“ *There are so many memories of Michael, of when the boys were young and chickens and snakes. And i remember when he moved in as an adult and you told him that there was one thing he had to do and that was to,take care of our cat E.T. When we were gone. I will always remember those things.*

It has to be the most difficult thing to bury your child. We know he is in a much better place and no,suffering. He is rejoicing now,with God. I am sad for you Betty and Mark in particular and all the others who loved Michael.

Prayers are sent your way,

Mary Roser
