“ *It's hard to say goodbye to a man as fine as Johnny Huckabee. He always had a smile on his face, a sparkle in those bright blue eyes and a joy that made you think less of troubling things. We will miss the sweet stories about his family and of course all of the football talk, but we will keep him in our hearts and always remember what a remarkable, loving man he was and what good care he took of all of us at the library. jkeene*

“ Uncle Johnny was a great man and I will miss him so much, he has always been there for everyone in the family. He was a father to me at times as well as a father to my son Shane at times. He was always there to help when anyone needed him. Losing uncle Johnny is a big lose to our family. He was a husband, father, papaw, papaw Johnny , friend and uncle to me and we all loved him so much.. I will always remember everything he had done for me and Shane , you helped make me the women I am today and I will always love you and I will miss you dearly.... Xoxo Love Bridgette Bond
