“ I didn't know Mr. Miller, but as I look at his face in the picture, I feel like I do know him in the form of his son, John, and his grandsons, who look so much like him. We're so grateful for his service to our great country, and we know you are so proud of him for that also. You are all in our prayers for the Lord's comfort at this time.

*With our sincere sympathy,
Shirley and Jeff Tingle*

“ I have considered Wayne a true friend since we first met at CVHS. We were classmates and in Wayne Miller's case, class was a very descriptive word. I never knew Wayne to be anything other than truthful but congenial, lighthearted but intelligent, and a fun guy to hang around with. I feel like I have lost a true "friend", even though we didn't get to visit very often. He will be missed. My sincere condolences to his family.

“ Wayne was a wonderful, awesome, honest and honorable person. He had a very special place in my heart always. What a wonderful person, the world was always a better place with him in it. He will be greatly missed.
