“ I met John several years ago through my late wife Vickie .  
John was always upbeat . I supposed from having all his grand  
children and great grand children around him. He and I hit it off and  
he was always happy to see me as I was seeing him. He was a  
great conversationalist. I will sorely miss those talks, sitting outside  
the nursing home his m-i-l Opal is in, and having a couple of  
smokes while we shared solving the world's problems.  
I will miss him, he was a good man.  
I'm sure Vickie is showing him around Heaven .  
God's speed.  
Bons pieds and Bonne oueil, mon frere.
