“ I worked with John at Kmart as his District manager. He was always open to sharing his thoughts with me and I enjoyed our many conversations. He was one of the hardest working people I ever met. He worked hard to please others and with a smile.

“ He was such an amazing person , he always made me laugh when I came in to buy my mulch and flowers , always said your planting too much do you ever run out of room ? We joked all the time . I went into labor at Kmart of course and he helped me get back to my car with my mom and said “ you sure you don’t wanna have a blue light special baby “ . He would always give my girls candy and gave my oldest a cup of flowers to plant . The sweetest person I have ever met . So kind and caring . We would come into Kmart and my girls would look for him . If he wasn’t there they wanted to leave . He will be missed dearly . God gained a wonderful angel .
