“ I hope that all your memories will be a comfort at this time. Uncle John was a great man who could be mischievous at times. His laugh and sense of humor will be what I will remember. I know he does not want us to be sad— but we will be. I hope we can remember the fun times and laugh, because that’s what he wanted. Sending my love and prayers to all

“ I always loved talking to John at family reunions. He was like a big teddy bear and always interested in what was going on here in Indiana. I’m so sorry for your loss.
