“ *I will always cherish her, Doug, & I spending countless hours critiquing "history" movies. Her quick witted comments on historical inaccuracies were epic.*

Sweet tea, banana bread, & that contagious laugh! I will miss my friend Johnna.

“ I will never forget our shared birthday suppers. Who would have thought 5 middle aged women could have such fun? I will miss my sweet friend but rejoice that she is free from pain and sickness and look forward to being together again. I know if there are get together's in Heaven that she's already got our booth picked out.
