“ My sweet auntie, she will be missed so much! I always enjoyed visiting every summer when I was growing up. We just got to visit a couple weeks ago finally...she was doing well that day and said to us, when we came in the house “ well you know I’d like to get up and dance a jig for y’all comin to visit, but I just can’t!” (In her sweet little voice) sending all my love and prayers to my amazing family during this difficult time
