“ We met Johnny and Charlotte about 15 years ago when we bought the house next door to them. We became fast friends and have shared a lot of good times with them. I will never forget the chocolate covered strawberries I brought to them and the fun times talking about those "defective" strawberries! Also the beautiful plants and flowers they have so generously given us. My husband, Terry, has grown especially close to Johnny and will dearly miss him driving over on his lawnmower to inspect our many projects. Best neighbor ever!
