“ I remember the first time I met Johnny. He came into the Guard and was assigned to B Battery. The Best. Johnny fit right in and before long became one of our Company Clerks. A hard worker, a loyal friend and a true Patriot. After I left the Guard to join the Navy along time went by. But years later as leave would allow I stopped by the ole Unit and his friendly face was there in the office to greet and offer his self help to who ever needed it. There will never be another to replace Johnny in anyway. You are surely missed my Brothers.
