“ Jordan's smile made you smile when you seen it. She was precious, She will forever be in my heart. The only thing helping me through this troubled time is knowing that she is in heaven running, dancing on those adorable little feet, talking some ones ear off, swinging her arms around and enjoying her life with our heavenly father. I have only known her for 6 months, and I have grown to love her in those 6 months. Enjoy Heaven Baby, until we meet again on that beautiful shore.
