“ I had the opportunity to work with Joe for over 16 years up until his third round of retirement and enjoyed every minute of those years. He had lots of stories to tell and he was good friend with one of my Dad's older brothers growing up, so I got to know a little more about my family through Joe eyes and a lot more about the history in our area. He loved to fish and loved his family. He never looked his age, cause he looked so much younger than he was. Love you Joe and you'll be missed but your got a great home waiting on you on the other side. My Thoughts and Prayers are with his family as they take this walk.
