“ Sincere condolences to Betty, Mike, Danny and Mark and their families. Growing up next door in the 60's and 70's, the Rossers taught me what the term "good neighbor" really means (apologies to State Farm!). They have been lifelong friends and my family shares their grief during this time of loss. Betty & Joe were always very attentive to my mom & dad in their senior years and Joe was a good man who will be missed by all who knew him. Pam and I will pray that you might find peace and comfort in the coming days.
