“ I still feel the sting of the pain today as i expect to everyday from here on out. I cant get u off my mind. I have reminisced our memories over and over again. I will forever cherish the times god allowed us to EXPERIENCE all the good and defiantly the bad... The bad that we stuck out is what made us who we were to one another. Its called loyalty.... I wouldnt change one smile one hug nor cry and fight. I loved you for you and i love who you are to me mom Robbie nan and many others. I am so glad i got to have you in my life and i will cherish you forever xoxoxoxo Our hearts are broken our lives will be different from this day forward but i promise you this whats understood doesnt need to be explained.... Ill do all things necessary.... I find comfort in the love and compassion your family showed me yesterday... Ill keep in touch with mom, robbie nan. Joshua and nicholas look just like u they r so handsome and they love their daddy. WATCH over us and send us signs now and then to reassure us of your love. Till we see you again. XOXOXOXO

“ Josh Brookshire was an awesome guy and he will be missed. When I think of Josh I think of the trailer on Johnson rd. I can't believe out of the people that lived there we've already lost two. I know it's hard right now Robbie but you have got to stay strong. If anyone knows what you are going thru its me and tiff. And I know you don't understand right now. But believe me,one day you will.. I know how you feel right now and its gonna take time but just know that he loves you so much. You was his baby brother and it showed, trust me. Let this be the reason you get better and do better. I will keep you and your family in my prayers always....
And I'm So sorry we didn't make it to the funeral. I don't know if I couldve handled it with it being the same place my sisters was. But we are all thinking of you Robbie..

“ *No one has ever looked at me like Josh did. Something inside me would jump when he looked at me. It's almost like he could make my heart literally skip a beat. I loved Josh, I love josh....always will. I smile thinking of the fact that he can now be a guardian angel that watches over me. I love u Josh.*
