“ *My thoughts and prayers are with Joyce's family. Joyce, Christie and myself were office mates. Joyce always had the heat going (which I loved) but we had fun times in that office*

“ *Momma, you were the best person I have ever had the blessing to know. Even though you went through all this pain you were the strongest person, you were so giving and you never let anyone go without. You would never let them cry alone. You were so comforting and supportive of everyone. Especially to the 3 beautiful grand babies that you love so dearly. This isn't goodbye. This is see you later!*

Joyce, I don't know if I ever told you thank you for being such a good person and helping me at Chitwood & Chitwood with trying to learn how to do certain things there. We had a lot of laughs together there. Thank you for being my friend. I remember you singing, you had such a pretty voice, you tried to teach me to carry a tune, but as we know it didn't work. I am so sorry that you were in so much pain, but I know now you are pain free and with our heavenly Father. Rest well my dear friend.
