“ *She was like a second mom to me growing up I was at her and Frank house all the time. And our family and their family would go on vacation together but she hated snakes. We was Parkway and went to the zoo with the children's church when I put that rubber snake on her shoulder. Her pocketbook went one way and the snake went the other way and mom Joyce ran through the store screaming. And I'm going to kill you Tammy I laughed so hard till I cried it was so funny. I'm going to miss her smile and laughter she always made me laugh I will miss you mom Joyce. Now you and Paula are walking the streets of gold together singing praises to our Heavenly Father I love you so much 🙏💔*
