“ Joyce was a precious friend. I can't begin to explain how special she was to me. We met at church about 35 years ago and she helped me through a very difficult time. I knew then that she would be a life long friend and she was. There are very few friends in this life that have been such a blessing, I'm so thankful that God sent her to me. I love you, Joyce and I know that I will see you again.
