In 1975, she went to work for Mayor Pat Rose, then Mayor Gene Roberts, until she transferred to Parks & Recreation in January 1992. In November 2004, Joyce retired from the City of Chattanooga after 31 years of service and was honored by many elected officials and friends. She was a dedicated Christian and member of Lookout Mountain United Methodist Church, where she has faithfully served as their pianist and organist for many years. She was predeceased by her father Franklin Dewey Wonder. known as one of the kindest, most beautiful souls, upon which this world has ever been bestowed. She loved and will forever be loved and cherished by her family and all who knew her. To know Joyce was to love her, and all who did will forever be blessed because of her. She will be greatly missed, and heaven is indeed richer. Out of the concern of others, the family has chosen to have a Celebration of Joyce's Life at a later date. Therefore the scheduled visitation and funeral service have been postponed. “ I recall knowing Joyce many years ago, before Jackie or Wesley were born. She was a very hospitable hostess to my parents and my brother and me during our visit. I remember how much she was crazy in love with Calvin. She was a gift to us all.

Blessings to her family.

“ Always was my favorite aunt and will continue to be. Always enjoyed spending Christmas with her and her family. The house was always full of love. I remember getting my first Cornish Hen for Christmas dinner from her. A song from the South.

I met the Newtons many years ago. Through my parents. Who have both gone on to be with the Lord. I absolutely adored her!! She had a complete understanding of what it was/is being a preachers kid. At any age! She had more talent than ANYONE in the family. Her talents were not limited to music. Her true talent was loving. I for one will miss her very bright light.

“ „,several years ago, I needed a back-up on the organ at Lookout Mountain Baptist Church. Since I didn't read music, Joyce was my rock. She said...."don't worry about it...just follow me." I did...and it worked just fine! Heaven is sweeter today because of her presence.....Im sure she and my mom are making fun of me for not being able to read music!!!! Love them both.

“Joyce was a treasured member of the Giles County High School Class of 1960. She was our beautiful and extremely smart Valedictorian who made every activity she joined better for her presence. We grieve with her husband, children, and grandchildren the loss of her sweet nature. Jeanie Moore Taylor. GCHS Class of 1960

“Jackie, I remember when we were little girls in elementary school, we would go to your Mom's work after school at Mayor Rose's office. I remember her being the fastest typer I have ever seen! She amazed me! She was always so sweet and loving. She always made me feel like one of her own and I won't ever forget that! I'm praying for you during this time!
