“ *I thought I saw her face today, in the sparkle of the morning sun, and then I heard the angel say, ' Her work on earth is done.' I thought I heard her voice today, then laugh her hearty laugh, and the I heard the angel say, ' There's peace for you my dear at last.' I thought I felt her touch today in the breeze that rustled by, and the I heard the angel say, ' The spirit never dies.' I thought that she had left me for the stars so far above, and then I heard the angel say, "She's left you with her love." I thought that I would miss her and never find my way, and then I heard the angel say, " She is with you every day.'*

I love you Aunt Joyce with all my heart and you will be dearly missed. Now rest in peace my dear until we meet again at heaven's gate.

“ I feel like I am in denial with what has happened....I remember you coming to stay the night and me painting your nails....your laugh was so unique, so special.....I am going to miss you more than you could ever know Aunt Joyce. I may not have been around you a whole lot in the last couple of years but that doesn't mean I love you any less. I am going to miss you so much, I love you with all my heart.

“ I remember I would spend the night with Korenda and she was always so nice to me. I remember she had a ceramic shop in the back of her house and her and my mom would be painting things a lot. I also remember going camping with her and her family. She was always laughing at something. I will never forget her, she was a wonderful woman!
