“ *What i remember about Juanita way to many funny memories to just name one,She had a heart of gold,In her younger days if you made her mad she had a temper hotter than a burning wood stove ,And if you even though about laughing you better be ready to run.Juanita loved animals she could not stand to see any animal hurt, hungry,are cold she would bring them home with her and take care of them..Love You And Will Miss You.*

“ Fly High my angel! Im still in total shock and lost for words! I just don't want to believe it. I'm going to miss you so much! I loved you as a if you were my own mom! Those who had you in their lives are very special people! I love you Juanita and I'm going to miss you so much! You were one of a kind! You had a big heart & loved everyone! You always worried about everyone else instead of yourself! I was very fortunate to have you in my life since I was 2 years old. You always was worried about me after my car wreck! Save me a place in heaven and give my cousin Jennifer & Kaitlyn a big hug for me! I'll see you all very soon!
