“ So Sorry to hear of your loss. I remember when Judith went to Destin beach with me and my family, way back long ago. She was always fun to be with and we had such a good time. I know you will greatly miss her. But know she was loved.

“ *She was a great second mom, I will miss visiting her and talking about what ever came up, sometimes it could get pretty silly, other times serious, but always insightful. I will miss seeing the look on her face when she would show off her new quilt patterns, or sewing supplies she just got, she was like a kid at Christmas. Even though she will be greatly missed, I can rest knowing she is with God now, and will forever have that wonderful glow of happiness and smile on her face.*

*I LOVE YOU MOM
