“ To the family and friends of Judy Nihiser,
Please accept my deepest condolences as you celebrate and mourn the life of such an extraordinary woman. I only had the blessing of meeting Judy once at the Post, but her loving heart, warmth, and genuine kindness left an impression on me that I will never forget. Even in that short encounter, it was clear that she carried a rare and beautiful spirit—one that made people feel seen, welcomed, and valued.

I deeply regret not having had the opportunity to know her better, but I am grateful for the moment I did have. It spoke volumes about who she was and the life she lived. Judy’s legacy of service, generosity, and compassion—especially her devotion to veterans, children, and her community—is something that will continue to ripple through the lives of so many.

My heart is with all of you as you grieve this tremendous loss. Please know that if there is any way I can be of support—whether through prayer, encouragement, helping hands, or simply being present—I would truly love and be honored to do so.

May you find comfort in the countless lives Judy touched, the love she poured out so freely, and the memories that will forever keep her spirit close.

With sincere sympathy and love,
Lori
