“ I am feeling such sorrow for this family. Julia was one of the kindest most genuine people I have ever known. It was an on or to be part of her life and share our precious granddaughter Samantha. She loved her children unconditionally but her grandchildren were her joy. Our thoughts and prayers are with the family.

We will miss those times but we look forward to the family reunion we will have in heaven. Deborah, Joe and the rest of the family, you are in our thoughts and prayers.
