“ Aunt June was a beautiful person. I think she lived a happy life. Lonnie was my uncle and he always seemed to care about me and was interested in my life. I truly loved Uncle Lonnie and Aunt June. I just seem to be drifting away from my Mothers family. I really missed that. I wasn't as good a person as I should have been,. I just let life get so busy with my business that I just drifted away. I love you Aunt June.

“ Mrs. Cripps was such a sweet person. She became my mothers friend at Rosewood Memory Care. My Mother was her new roommate and we thought the world of June as she would often say to me call me June. When my Mother became her roommate a few weeks ago that is the happiest I have seen my mother in such a long time. They enjoyed talking to each other and having meals together. We will certainly miss her so very much. When I visited my Mother I also visited my friend June. I was so saddened to hear the news of her passing. Your family will be in our thoughts and prayers.
