“ Dear Wayne and Shelly, Daryl and Karen,

*I am so sorry to learn that June has died. My strongest memory of her was right after Daryl was born, walking up the hill at the Chattanooga house. My mother, Bertha, was exclaiming about how fit she was so soon after giving birth.*

*Please accept my condolences and wishes for you to find peace.*

*Love to all,

“ *I met June after she had her car accident while living at the BattleField Apts. June and I just clicked immediately, it became a friendship that brought us as close as sisters. June loved to read, loved her beloved dog (Molly).*

*During those years, we had ice cream suppers in the summer, winter and fall! I will never forget the memories we shared together as she talked about her family. I am so sorry for your loss.*

*I will miss June and think of her every day, but I know she is in a better, much happier place in Heaven.*

“ Our prayers are with you in the loss of June. She was an extraordinary lady and we enjoyed the years she lived on Sand Mountain with us. Our children always loved Aunt June and the stories she shared. We also enjoyed the "French Vanilla Ice Cream" that Mrs. Malstrom made for us. May God give each of you peace and comfort in this difficult time. We never out grow the need for our mother. Always enjoyed worship services with her at First Lutheran.
