“ I have known June since we were children playing in the Maple Hollow Community of Maple Hollow in Soddy-Daisy, TN. Waiting in the bus line at the foot of the hill where she lived. I always enjoyed going to her house. Her mom and dad (Chester and Eula Hill) were always kind to the neighborhood kids. I was amazed at all of the children, laughing, playing and some were bashful and would sit back and watch. I think the first time I saw children with beautiful red hair was here at their home place. June and I went through school together and she was always smiling then. She was a very intelligent student. Gone are those days and all we have left are our memories. She is definitely part of my life as well as others in the neighborhood like John Kennedy and Patsy Jo Sneed. She will be greatly missed by family and friends..

“ I meet June and Sirena when Amanda my daughter and I was driving up Wilson rd we stopped to help out Sirena and took her to her house. She took us in to meet everyone and the one person that stood out to me was June she had the prettiest smile her cheeks were rosey red as they always were and sweet as can be. I loved talking to her everytime u would go over there. She loved her family more than anyone I think I had ever meet. Sirena was the apple of her eye for sure. Im gonna miss u June for sure that beautiful smile, but your with Jesus now and free of sickness and pain. FLY HIGH WITH THE ANGELS WELL SEE U SOON
