“ Justin, I hope you knew how much you meant to me & how much I loved you! You treated me better than my own son. I'm so sorry you won't be here with me through thick & thin as you have been until now. I will dearly miss you, but I know that I will see you again, maybe soon, as the Lord wills!

Frieda Thompson - February 06 at 12:04 PM

“ Sad to see you go, but I was sad too know you suffered for one moment because one thing I know for sure is that you we're one of the kindest most genuine people I've ever known. You were one of a kind and you being my pawpaw Frank's sidekick while we were growing up was something special especially since you honored my grandparents by maintaining railroad produce in their honor. I could only hope that it remains that way in yours. If there is a place where everybody meets after this life please say hi to my grandparents and to Ruby and LR. You will be missed. Until we see you again..
