“ Karen was always smiling when ever I saw her . I know that she is there just inside the Gate . With those Saints that are waiting for "kinfolks" as our Grandmother used to say. Love you one branch of what we call our family tree. Sleep well my young Cousin , I will always remember that SMILE . See you up yonder in "Hallalujah Square".

“ Karen- Our Dear Sweet Friend. It's hard to put into words how much we will miss you. To know you, and to be your friend, was such a blessing that we will cherish forever. Your love for God, your kind heart, abundant love for your family, and so much more. It's just some of the many things that made you so special and so loved in return. While your loss will always stay with us while on this earth, we know that you are with your Savior and loved ones, in a heavenly body free of pain and illness. What Glory you must be experiencing. Until we see you again in that wonderful place. We love you! KC, Vic & Amelia
