“ *Susie was the most amazing woman, she was the only one outside of my family to ever watch Chloe and still is to this day. It saddens me to learn of her passing and to know that she is no longer with us. Let God be with friends and family in their time of loss.*

“ Hard to believe you are not here with us but you will always be in our hearts and minds. You were always such a good Aunt to the boys, letting them spend the night, hooking them up with a movie and snacks. Nikky always loved staying at your house. You were always so good with the kids. I love you and miss you!
