“ Dear Brower family  
Thank you for being so kind to me. I have nothing but fond memories of you all. I've always loved Kathy and wish that I was around to spend more time with her. I'm grateful that I got to talk to her on the phone last summer at Cindy's house and to have had her as a sister in law. I'm sure God has room for her in heaven. All my memories of her are good. Thank all of you for being my friend and making me feel like family 😊  
Aloha and best wishes,
