“ My baby sister I will miss you so much. You will always be in my heart ❤️. I will always remember theus being silly and always laughing about . Ever time we saw each other we found something to laugh about. Let's not leave Donna out she was our laughing partner. Put us all 3 together and we would drive mom crazy.We even had our first baby a day apart. Your Michael 4-12-83 and My April 4-13-83. You really lit up when he was born. You were just as happy when you had Brittany too. Let's not forget about them grandbabies and I know you were excited to find out you were going to be a great grandma. You loved babies and animals, especially your dog Fynn. I could go on and on about the big hearted person you were...

I can't wait to see you again in Heaven, love you forever and a day
