“ *I grew up knowing that Kathryn and her family would always be at SBC everytime the door was open. I also knew that Kathryn and Frank loved me...and I loved them and all 4 of their kids. I felt like they were family. I will definitely miss Kathryn but she is in a much better place. I can just see her beautiful smile when she sees her Lord and Savior Jesus Christ. I love you Kathryn and will see you again at the feet of Jesus.* ”

“ She profoundly impacted my life. She taught me a lot and among those things what it meant to just be a genuinely Christ like loving person. I can only praise God for the time that I had with her. She always made me feel like one of her own. The last thing she said to me and I said to her was I love you. I can't think of a single soul in my 51 years that I can say that about. Our world has suffered a great loss in her departure but her gain being in the arms of Jesus is so fitting for someone as beautiful as her. I don't know if her tiny little head can hold up all those crowns.

“ I have so happy memories from growing up with this sweet lady and her family. Church memories and those outside church. I recently went thru old pictures and there were many of my parents and Kathryn and Frank. Love to all the family.
