“ I have not the words to express the loss I feel for my dear Kathy. she is truly free today from all her pain and sickness. I will miss all the good times we shared together. She has blessed my soul with her unique style of singing. The Lord looked down and saw how tired she was and said come on home my child your work is finished. Until we meet again in heaven. “ Kathy was the sweetest person I've ever known she was like my second mom when I was growing up. She always had a smile on her face. She was such a beautiful singer along with Freddie and the girls. I loved to hear them sing, and she could play the piano and organ like no one else. I love you Kathy always until we meet again. Brian Evans

“ I have such wonderful memories of Kathy. She was always one of the kindest and strongest women I know. I loved her laugh and her smile. I will miss her singing. My favorite song I loved to hear her sing is *The Lighthouse*. No one could sing it like Kathy. My prayers are with all of her family and friends. She will be missed. I know in my heart that Jesus is enjoying listening to her beautiful voice in heaven. My heart goes out to her girls, I know what she means to them. God Bless you all.

Aunt Kathy was always so sweet. I have a lot of good memories of her as a teenager, I used to won't to primp just like her, we both liked bling, bling. I always admired her for the gifts that God gave her to play the organ and piano but especially the organ. She could really make it talk. She was so anointed to sing and play. For sure, God gifted and anointed her. She had a beautiful smile and was fun to be around. I use to love to hear her and my dad sing ' He looked beyond my Fault,' Their voices was like that of angels singing! I miss you Aunt Kathy, but you are so happy now with Jesus, the Angels, and family! Love you so much! 💕💕
