My mother was a very kind, sweet, generous, and loving person. She had a huge heart and a love for people. She had a way of making the bad things better. She was also a giver and loved helping others. If you knew my mom

you would know she could light up the darkest rooms with her smile and love for the Lord! Momma you will be forever loved and missed. Not a day will go by that I won't think of you and wish you were here. I love you as high as the sky and to the ocean floor. One day we will be together again – love your daughter Chrissie “Booty”.

“ Skip, Jeremy, Chrissie and the rest of the family, I'm so sorry for your loss. Kathy had the sweetest spirit, and it only got sweeter as the years went by. You'll never know how much we appreciate her being such a prayer warrior for our family while we were facing some serious challenges. She said, "Prayer changes things," and she was right. It was encouraging to see her put concern for others' needs ahead of her own even as she battled very serious health issues.

She also had a great sense of humor, and she was good to keep an eye on my house next door when I wasn't there.

As I get older, I realize how time really does fly. It seems like just yesterday I was moving in beside y'all on Haven Drive, but that was 2002! You're right, Chrissie, we'll be reunited with Kathy and our other loved ones who have gone on before us. It's hard now, but that time will come sooner than we can ever imagine. And it'll be a great reunion that we can all celebrate, just as she's celebrating being with her Lord and Savior now.

All my love to you,
Steve Barrett

I did not know Kathy as well as others or as long as others but i do know that she was a special lady, precious smile, sweet spirit and she as well as her own family loved people. She had a special box she kept the names of those she prayed for. You don't have to know a person for a long period of time for them to impact your own life and she did that. She will be missed.
