“ *Sue you have been a part of our family for many years and we all are gonna miss you very much. When I reflect back on the memories of our family holidays, you will be there. All the get-togethers and family dinners. You always made the best potato salad! You were there when my daddy passed and every time we lost one of our loved ones. I'll never forget your support during mama's last days. I'm not sure if I ever said thank you! I know you loved her too. She loved you and thought the world of you. I never got the chance to say bye and my heart is so sad that you are gone. But I know you're rejoicing with your loved ones who have gone on. Please give mama and daddy a hug for me. All of y'all please watch over us until the day that we can join together again. Every time I go to Wal-Mart I'll think of you because I was always running into you there. Fly high with the angels pretty lady until we meet again....*
