“ *I went to school with Kayla and her best friend Gabrielle, who has also left us too soon, this is heartbreaking and the only good thing I can think of is that those two are together again, giggling and dancing around.. Rest easy Kayla, and may peace be with your boys. ❤️*

“ *I didn't know Kayla that well but our boys played sports together and so we were often in the stands cheering them on. My heart goes out to each member of the family and as she takes her rest we pray for your peace, comfort, and strength. 🙏*
