“ Jerry was a good man. The year of 1993 when we had the blizzard, he made his way out and over to our home in Rossville to bring kerosene. He was a great father to his girls. I am sorry for your loss.

“ Jerry was my best friend and an adopted family member of ours. He was a straight up man that never held his thoughts in, that's the quality I love about him the most he took me under his wing and treated me like family. I spoke to him only two weeks ago. He will never be forgotten. So long my dear friend I want to send my condolences to his Mom and grandson. I love you Jerry and will see you again one day friend.

“ Hugs, Dot. My heart is breaking for you. We used to have so much fun as kids when we all got together... playing outside, tormenting each other! I wish I could be there in person for you. I will keep you all in my thoughts and prayers as you go through the days and months ahead. Janorah

“ Wabash's annual "Boat Day" 2001. We are all on the river when the big storm comes and seeing Jerry "Drive" Hugh's boat while telling us how he could "feel the salt spray in me beard". That is the memory of Jerry that I am going to keep in my mind forever as it always makes me laugh.
I will keep Dorothy, Jennifer and the rest of the family in my prayers.
I am so sorry for your/our loss.
