My Uncle Ken was one of the kindest most generous people to ever walk on God's green earth. Soft spoken and fun loving but very serious about family. He loved deeply unconditionally and eternally. He will be missed sorely, as will his laughter, the sparkle in his eyes, his gentleness and his strength. I will be forever grateful for having been blessed to be his niece and to know him and to love him and to be loved by him. Rest in peace Uncle Ken, I love you
