“ Kenny was a very close friend of my brother, Tim Griffey, who died April 19, 1988. When I was a kid, Kenny let me drive his new go cart, which I promptly ran into a tree stump in our yard. 😞 But he told me it was OK. Bless his heart, Kenny was so kind to this kid and I felt bad for wrecking his go cart for years! May his family have much peace and beautiful memories. Judy Griffey Marshall. (I live 2 houses down from Judy Huckabee on Warren Drive and am just now seeing Kenny's obituary--January 15, 2024.

“ *Daddy,
I miss you already, I feel lost and alone, but relieved knowing you are out of pain. I am so happy I was with you at the end of your life it is a memory I will cherish for ever. The last year of your life was a tough one but you fought and you fought hard. I just want to know I will be okay, I will hurt and I will miss you but now I have another angel looking over me. Say hello to Mamaw and Papaw White, Uncle David , Uncle Danny , and my dear cousin Greg. I love daddy and will think of you always and forever..*
