“ Kenny was such a good man & friend. He was mechanically knowledgeable and loved working on things. He had a kind and giving heart and gave of himself to others even sometimes to his detriment. It was very easy and natural for him to make you laugh. He will be missed so much by everyone that knew him. I'm sure others would agree a void is left where ever he has been. I didn't hear about your sickness until you were gone. I regret not being able to talk to you before you left. I would have been at your funeral had I known. You'll always be loved & remembered. May God bless you & your family Kenny.

“ Kenny was a friend of mine that lived a few houses from me. I visited him as much as I could and I called him on the phone every day. He was a sweet man and I'm going to miss him dearly. It didn't seem like there was enough time to truly say goodbye. My heart is broken it and I know he was in a lot of pain and I'm glad he's not in pain anymore because it broke my heart to see him so sick and he's in a better place now I truly believe that.
