“ *Kermit worked with me for many years. He one of the hardest working men you will ever see.
I remember him me how much he loved his family. He always worried about his wife's health. Hopefully see you again one day.*

“ *Daddy, it's so hard knowing that your in heaven. I already miss you so so much. I would give anything to spend more time and enjoy more laughter together. You worked so hard for so many years to support our family. I'm so glad you are no longer suffering. I love you so so much.* ”
