“ My heart is hurting because a beautiful light in this crazy world is gone and my world is a little darker. Kimberly you were very precious not only to me to just about everyone you met. I don't know what I would have done if you haven't been there for us when Trae was deployed overseas, I know you helped Adain through missing his dad. His heart is broken also you and him had a special relationship or should I say he had you wrapped around his little finger like he does everyone. I loved you like my own daughter and I'm going to miss you. I'm praying for your dad, mom, Rachel and all of your family. I'm not going to say goodbye I'm just saying see you later!!!!!!!!!!!!!!

“ I worked with Kim for a while at a vet center. We were both receptionist and spent many hours together. We would talk about everything in life, and laugh until we were crying on the floor. We gave each other advice, and had a bond. She will be greatly missed. I love you, Kim. I can picture that beautiful smile now!

During this time of great loss the words that come to my memory is what Jesus said in his Sermon on the Mount Matthew 5:4 Blessed are those who mourn, because they will be comforted. Jesus is our help in time of need & he is faithful to his word. My prayers and heartfelt love goes out to the family. It is in our weakness we see God's awesome strength to get through life's trials. May the peace of God surround you with Love of Family & Friends
